Dear David, Luis, Dan, and Susan,

Thank you for taking the time for the conference call. As I have stated, I do not know what letter you got regarding TASC from Dr. Wiseman. However, this is from the August 2009 minutes from the full WHNC Board meeting. It states that the SSMAC Committee and the WHNC had both approved the request for EPA TASC. The SSMAC committee included voting members of the community as well as voting members of the WHNC.

So the request for TASC was not just Chris Rowe's, it was from the whole WHNC to support the whole SSFL community. And yes, of course, we would share.

Thank you.

Chris Rowe
